

Welcome to the missionary family of Impact Ukraine. We are so pleased to inform you that after prayerful consideration the board invites you to join our ministry family. It is our policy to evaluate the financial effectiveness of every supported church/missionary quarterly. Your organization will be asked for an update on your support level need. Prior to additional support, you will be required to give us an update of your past ministry work and future plans. A decision will be made at that time concerning renewal of our financial commitment to you for future ministry.

Our Part:

1. As a board we will pray for you.
2. We will send your support to your organization bank through SWIFT, Western Union, or PayPal.
3. We will inform our donors of your needs and prayer requests.

Your part:

1. As a member of our mission family, we request that you pray for Impact Ukraine.
2. Correspond with us quarterly by email at support@impactukraine.com.
3. We encourage you to develop an in-depth relationship with our board members.

We thank the Lord for your commitment to serve Him. We look forward to having you represent us in sharing the Gospel of Jesus Christ to a needy world.

In His Service,

Seth Neistadt

COVENANT BETWEEN CHURCH, MISSIONARY, & IMPACT UKRAINE

This support agreement is entered into between _____ (pastor/leader) of _____ (organization; partner) and Impact Ukraine, Inc.

BELIEVING that...

- God has called His church to world-wide evangelism,
- God has specially gifted some members of His church for service as missionaries, pastors, leaders and disciple makers and that,
- Impact Ukraine should partner with nationals to carry out the Great Commission, these parties do hereby agree to abide by the following principles and respective responsibilities:

PRAYER SUPPORT

Impact Ukraine is committed to praying for our partners and will provide information to our donors regarding your prayer needs and will encourage them to pray regularly and specifically for you.

FINANCIAL SUPPORT

As the Lord provides, Impact Ukraine is committed to support our partners financially either one-time, quarterly, or annually. Impact Ukraine will review the partner's financial support, at least annually to determine their needs. We will attempt to help make up any shortfalls. The organization will attempt to help meet ongoing and specific project expenses.

CARE AND COUNSEL

Impact Ukraine is concerned that our partners' physical, emotional, and spiritual needs are met. Impact Ukraine will provide Christmas gifts, personal mail, and whatever else we can do to remind you of our concern and to be an encouragement.

COMMUNICATION

Our partners will communicate at least quarterly with our board by email. Our partners have an important role as an extension of Impact Ukraine in another part of the world. Therefore, we request that you provide us with videos, pictures, and/or other material which will enhance missions awareness

by our donors. Our partners will provide an annual written report (email is acceptable) to the Impact Ukraine board, outlining ministry activities and results of the previous year as well as intended ministry objectives for the coming year.

AGREEMENT

Both parties agree that this covenant is open to reevaluation and change at any time, particularly if any of these parties believes that one or both of the other parties is not honoring the principles and responsibilities set forth in this covenant. All parties shall review this agreement every year, and determine their respective desires to continue or terminate the relationship. All parties pledge their good faith in carrying out the intent of this covenant to the glory of God.
